

DISCRIMINATION TESTING (FOLLOW UP)

I am reaching out as a friendly reminder. We have not yet received information from you to perform discrimination testing for your plan. We need to get your responses to the attached census and questionnaire no later than **Monday, Feb 22nd**.

Failure to provide us with this information will limit your ability to take timely corrective action, in the event you fail one or more of the tests. This means additional filings, penalties and interest that you will be subject to.

Please remit the information to the following secured website:
